HR IN THE AGE OF DIGITIZATION

in association with

HR MEET 2019

With the inception of HR Meet 2008 Growth Sellers Private Limited, first came up with the idea of creating a common platform to discuss HR issues and create HR awareness in the context of Nepal. Ever since then HR Meet has continued to take place annually based on enormous feedback from participants and stakeholders. It was the sole effort of G.S. when it made the attempt to bring HR professionals together then to interact, learn, experience, and share when various keynote speakers from diverse fields contributed for the overall well being of the HR community and promoting awareness. Based on the recognition of the need of a program as such, HR Meet has been gaining momentum with increased participation and the popularity of the program continues on a steady pace. Since the year 2010, the program has been witnessing a sharp rise in the number of participants and a diverse representation from various sectors and random international participation from neighboring country India, Bangladesh, and Germany.

Growth Sellers organized this year's 2-days non-residential HR Meet on March 14th-15th, 2019 with the theme "**HR IN THE AGE OF DIGITIZATION**" at hotel Soaltee Crowne Plaza, Soalteemode, Kathmandu, Nepal.

The first day of the HR Meet 2019 started with program overview followed by National Anthem.
